2 FOR 1 SPLIT IS NOW COMPLETE

Vancouver, BC, March 26, 2018 – Gorilla Minerals Corp. (“Gorilla” and/or the “Company”) is pleased to announce the successful split of its issued and outstanding Common Shares resulting in two Shares for each existing Share held. There is now approximately 58.6 million shares issued and outstanding. All convertible securities have been adjusted.

About Gorilla Minerals Corp.

Gorilla is a project generator and seeks to fund exciting and relevant exploration and development projects. Our approach is to rely on local talent and respect local territories while maintaining upside exposure to new discoveries. Gorilla Cobalt is a division of Gorilla Minerals Corp. and intends to develop energy metal projects to help meet the demand for a battery powered future.

Forward-Looking Information:

This press release may include “forward-looking information” (as that term is defined by Canadian securities legislation), concerning the Company’s business. Forward-looking information is based on certain key expectations and assumptions made by the Company’s management, including future plans for the exploration and development of its mineral properties. Although the Company believes that such expectations and assumptions are reasonable, investors should not rely unduly on such forward-looking information as the Company can give no assurance they will prove to be correct. Forward-looking statements in this press release are made as of the date of this press release. The Company disclaims any intent or obligation to publicly update any forward-looking information (whether as a result of new information, future events or results, or otherwise) other than as required by applicable securities laws.
