

## **Go Metals Provides Update on Geophysics and Ground Program at HSP Nickel- Copper Project**

**Vancouver, BC, September 21, 2023 – Go Metals Corp. ("Go Metals" and/or the "Company") (CSE: GOCO)** is pleased to announce that the Company is currently conducting airborne geophysics at the HSP nickel- copper project, north of Havre-Saint-Pierre on the Côte-Nord of Quebec.

Scott Sheldon, CEO of Go Metals said, “We have started flying AirTEM over the extension of the HSP project staked in 2022. The Company expects to complete a minimum of 1,200 total line-kilometres over the north and south contacts of the anorthosite complex. New targets will be followed up with ground UTEM in early October 2023 to prepare for follow up drilling. The Company is currently permitted to drill at Red Mountain, PGE and both Chamber targets. We are planning a few RC holes based on the UTEM survey data collected at the start of the season.”

### **About Go Metals**

Go Metals targets Canadian battery metal projects to help power a sustainable future. The Company’s flagship HSP project has multiple nickel-copper sulphide targets within a 400 square kilometre land package north of Havre-Saint Pierre, Quebec in the Nitassinan of the Innu of Ekuanitshit.

The HSP property hosts multiple magmatic sulphide targets within a potential new nickel belt spanning hundreds of kilometres across the Havre-Saint-Pierre anorthosite complex in the Grenville Province.

### **Forward-Looking Information:**

*This press release may include “forward-looking information” (as that term is defined by Canadian securities legislation), concerning the Company’s business. Forward-looking information is based on certain key expectations and assumptions made by the Company’s management, including future plans for the exploration and development of its mineral properties, future production, reserve potential, and events or developments that the Company expects. Although the Company believes that such expectations and assumptions are reasonable, investors should not rely unduly on such forward-looking information as the Company can give no assurance, they will prove to be correct. Forward-looking statements in this press release are made as of the date of this press release. The Company disclaims any intent or obligation to publicly update any forward-looking information (whether because of new information, future events or results, or otherwise) other than as required by applicable securities laws. There are several risk factors that could cause future results to differ materially from those described herein. Information identifying risks and uncertainties is contained in the Company’s filings with the Canadian securities regulators, which filings are available at [www.sedar.com](http://www.sedar.com).*
